Re: 'Keep Americans Connected Pledge'

In response to the coronavirus COVID-19 pandemic, D & P Communications is proud to join the FCC's 'Keep Americans Connected Pledge' to help ensure connectivity to our valued customers. Effective immediately for the next 60 days, the pledge states that D & P Communications will not disconnect high-speed internet, or phone services to customers who are unable to pay their bill because of an economic hardship as a result of the coronavirus pandemic. Additionally, D & P Communications is proud to offer our "Internet for Everyone" program, an affordable, reliable, internet option to those households that qualify for the National School Lunch Program (a link to the application to see if you qualify is available on the D & P website under the Policy Center: <https://www.d-pcomm.com/policy-center.php>).

D & P Communications understands that many have been impacted during these unprecedented times, and we want you to know that we are here to help. Our team has taken precautionary measures to make certain we are able to continue to perform our duties during these challenging times. We want you to know that we will be here, because we know providing reliable broadband services is essential for ALL families when they need it most.

For additional information, or questions regarding either of these programs, please call us at 800.311.7340.
