D & P Communications is proud to offer a reliable and affordable internet option to those households that qualify for the National School Lunch Program. Please read below for a list of requirements.

To qualify for D & P Communications' "Internet for Everyone" service plan, your household must meet all of the following criteria:

Please confirm that all of the following apply to your current household situation.

- I am located where D & P Communications offers High-Speed Internet service. (Call for confirmation if necessary)
- I have at least one child eligible to participate in the National School Lunch Program.
- I have not subscribed to D & P's standard internet services within the last 90 days.
- I do not have an overdue D & P bill or unreturned equipment.

Please enclose the following documents with this application:

- A copy of the current year's acceptance letter or other documentation from your child's school that states the above mentioned student is certified to receive free school lunches.
- A copy of the current year's acceptance letter that states the school or school district participates in the National School Lunch Program, or an equivalent program.

Review of application may take up to 5-7 business days. You will receive a phone call to confirm your acceptance into the program and to schedule the installation of your internet service.

Disclaimer:

By signing this document, you understand that all of the information above is accurate. D & P Communications' "Internet for Everyone" program is subject to D & P's acceptable use policy. Any user that breaches these terms and conditions is subject to cancellation of all D & P services. Yearly enrollment into the "Internet for Everyone" program is necessary in order to receive this discounted internet rate. Failure to pay monthly bill may result in disconnection of service. D & P Communications has the right to cancel this program at any time. Required documentation can be sent as additional PDFs or as pictures of said documents attached to the email.
