

Automatic Callback

Redials your last caller even when you couldn't answer in time

How to use:

Pick up handset and listen for dial tone. If you were already on the phone and ignored a call waiting tone, depress the switchhook and release quickly.

Press *69 The number of the call you missed will be announced and then will ask you if you want to use the automatic recall feature.

If the line is busy:

Hang up. Your phone will keep trying the line for up to 30 minutes. A special callback ring alerts you if the line becomes free. (Some phones will ring normally).

Pick up the handset to automatically place the call.

To cancel:

Lift the handset and listen for dial tone.

Press *89

Listen for confirmation tone or announcement and then hang up
