

Toll Control with PIN

Now only you can dial those long distance calls

Toll Control With Pin

1. Caution: Any display phone with automatic recall and a display will show the pin number if it is not erased after you make a call.
 2. If you want to add, change or disconnect this feature you must come into the office, nothing will be done over the phone.
 3. Only operator and 1+ calls will go through with pin number.
 4. The only calls that will go through without dialing the pin number is local and 911 calls.
 5. Deerfield Farmers' Telephone Co will not get into any household disputes concerning this feature if both names are on the bill both signatures are required.
 6. You will be 100 percent responsible for all toll calls on your bill if you have this feature.
- I fully understand and agree to all the above.
